

Warranty and Registration

The Imperial Warranty - Best in the Range Hood Industry

Imperial wants you to be entirely satisfied with our products and services. This is why we guarantee your satisfaction with the **best warranty in the range hood industry***:

- Warranty extends seven (7) years from date of original purchase
- Warranty includes in-home service
- Warranty covers all parts of the hoods with the exception of filters and light bulbs
- Warranty covers one hundred (100%) percent parts & labor for manufacturing defect, workmanship and materials

If the workmanship or materials are not up to Imperial's high standards we will make the repair in your home for up to 7 years from the date of purchase. To make an appointment for a warranty repair, call **(800) 951-4192**.

*Models not covered by the 7-year warranty

While almost all Imperial models are covered by the 7 year warranty, there are a few exceptions:

1900D and 1900E Series –Warranty is one year from date of original purchase, Parts Only for manufacturing defects.

*Circumstances not covered by the warranty

Not covered under warranty is any damage due to accident, misuse, abuse, faulty handling or improper installation. For example, the following are not covered:

- Improper Installation.
- Service to repair or replace bulbs, filters, residential plumbing, venting, fuses and wiring
- Damage due to installation outside the single-family household environment
- Improper installations which may include failure to comply with electrical or plumbing codes, unauthorized modifications of the range hood, failure to follow installation instructions.
- Damage due to misuse, fire, flood, or acts of God
- Parts or labor for units outside the United States.
- Pickup or delivery of the unit, since warranty covers in-home service.

Warranty Registration

Please register your product. Important note: Keep your original receipt of purchase. This proof of purchase will be necessary to obtain service under warranty.
