# Designer's Series™

by **TRUAire**

Inspired by fine interiors the world over, TruAire's Designer Series™ collection of air vent covers, registers and grilles are designed to fit over any existing or new floor opening. Each design is hand-crafted using quality materials and remarkable craftsmanship suited for an array of fine architectural styles while complimenting any home's interior. Our Designer Series™ floor vents are available in several of the most popular sizes and finishes. For more information about our entire line of fine products visit us online at [www.truaire.com](http://www.truaire.com).

## Model 164 Ornamental Scroll

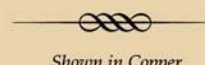

Elegant and symmetrical scrolls surround serpentine curves each flowing and balanced to fit the many architectural styles from designs of years past...while still feeling at home with those of the present.
