

RETROFIT ZONE CONTROL DAMPERS

These low-cost dampers make it easy to quickly add zoning to an existing duct system. The Retro damper is the perfect alternative to pneumatic systems that require special plastic tubing and pumps. This damper uses standard thermostat wire and will work with most zone control panels.

Features and Benefits:

- Compatible with most zone control panels
- 18-gauge steel
- Installation flexibility
- Saves time and labor expense
- Resolves tight space issues
- Includes screws and self-adhesive drilling/mounting template

Warranty:

- 5 Years

Specifications:

Construction	18-gauge steel
Sizes	5", 6", 7", 8", 9", 10"
Damper Actuator Type	24VAC, 1.5VA, three-wire power open/power close
Timing	60 seconds
