

### HVACquick's CRFB Series

Our CRFB Stand-alone filter box series is a great solution for wildfire smoke mitigation, contagion prevention, and allergen prevention.

#### Features:

- The Circulating Relief Filter Box is designed for efficient and affordable air filtration
- Includes five 1" MERV 13 filters.
- Large filter area => low pressure drop and large dust holding capacity
- Elastic filter straps allow for zero-hassle filter replacement
- Accommodates 20" box fan
- Durable aluminum frame allows for simple and easy maintenance.
- Quick and simple assembly

CRFB Dimensions (Inches)

L	W	H	HoA	Foot Height	Foot to Foot	Filter to Filter	Box Fan Width (BFW)	Box Fan Length (BFL)
