

1. PRODUCT SUMMARY

The Primex Dryer/Exhaust Vent (DV4) is a simple, durable and aesthetically-pleasing solution for venting residential dryers.

The low-profile, one piece design accommodates standard 4-inch ducting. UV-stabilized polymer resin offers long-lasting protection while eliminating leaky seams on the vent hood.

2. PRODUCT DIMENSIONS

HOOD: H: 7.1" / W: 7.1" / D: 3.3"

3. FEATURES & BENEFITS

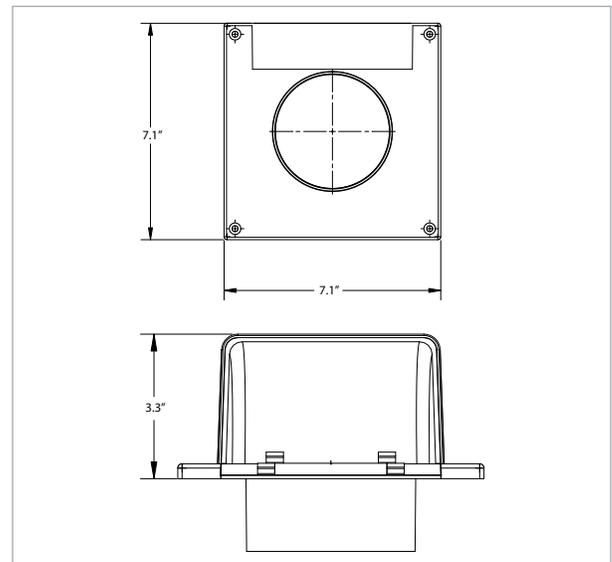

- Low-profile one piece design.
- Accommodates 4" ducting.
- No leaky seams on the vent hood.
- Made from UV stabilized polymer resin.
- No screen to allow for lint exhaustion.
- Durable, long-lasting.

4. COLOURS

- Snow White (01)
- Taupe (23)

5. PART NUMBER/SIZING

Part #	Size	Free Area	Description	Pkg
DV401	4"	12.6"	Vent, snow white	24/box
DV423	4"	12.6"	Vent, taupe	24/box
